

What is really going on?

This all started well before 2020, but since then, governments & religious leaders, under the guise of 'saving the planet' are promoting man made climate change, like a new 'religion'. I could go on to mention other strange events occurring in the world, encounters with 'aliens' & UFO's and lots more, but that's not the point of this tract. **You now urgently need to look in another direction that'll show you why this is all happening now!** The Bible in Revelation 13:16-17 predicted a global system that would eventually develop under one world leader described as the 'Antichrist'. The stage is now being set for this coming leader, who will make everyone have a mark in his or her right hand or forehead', that without it you can't buy or sell. For a time he will bring the peace the world craves, but it will turn out to be a false peace.

Don't be so busy trying to save your life on earth, you give no thought to where you'll go after you leave it! Jesus Christ came to earth 2000 years ago, with a real plan of love to save the planet! He said you are a sinner before a Holy God and you must turn away from your sins, which will be instantly forgiven if you repent & ask Jesus into your heart. You will then be put into a right relationship with God, the only creator and become 'Born Again'. The fallen angel, called Satan, the god of this world, is deceiving people to put their trust in technology, science and new political & religious systems that in the end, will bring disappointment, destruction and death.

If you still think there is no change since 2020, and these contents are just 'conspiracy theory', then do this test: Switch off mainstream news, research yourself carefully and then read these verses: *Mathew Chapter 24, John 1:12, John 10:27-28, Revelation 14:11, Romans 3:23.*

John 3:16 says: 'For God so loved the world, that He gave His only Son, (Jesus Christ) that whoever believes in Him, will not die, but have eternal life'

Only being a **true Christian** can give you real peace, heal your broken heart & anxious mind and give you the knowledge that **God really loves you. Jesus is returning to this planet soon.** He alone will save the environment and create harmony amongst all nations in the kingdom he has promised to establish.

You can start your journey with Jesus today, by praying this prayer from your heart:

' Lord Jesus, I believe you died & shed your blood for me. I confess that I am a sinner. I repent of my sin and ask you to forgive me. I receive you now, as my Lord and Saviour. Please fill me with your Holy Spirit', Amen'.

Now ask Jesus to guide you to a good Church and buy a Bible that is easily readable for you. It will show you we're NOW in the times it spoke of. If you'd like re-printable electronic copies of this Tract to pass on, or more information on becoming a Christian, and about any of the contents in this Tract, please click on, or type into a browser the links below:

Do You Think We're Back To Normal?

NEWSFLASH!!!

THE WORLD CHANGED FOR EVER IN MARCH 2020!!

Not at all you may say, it's all gone back to normal, since the Covid 19 Pandemic subsided. We can't cover all here, but please read to the end and you'll see how every aspect of life on earth has changed and is continuing to change at breakneck speed!

Covid 19: How it paved the way

March 2020 was the start of the greatest global experiment in history. Whether you believe the Pandemic was accidental or deliberate, the following things were never done before to citizens, by supposedly civilised western world governments:

- Treasured Democracies behaved like dictatorships, enforcing authoritarian laws
- Punishing lockdown restrictions, curtailed the free movement of all populations
- Poorly tested, vaccines rolled out globally, were mandated in many workplaces
- Enforced wearing of masks and social distancing regulations, mandated
- Supermarkets in many countries, barred entry without proof of the vaccine
- People were fined & arrested for just being outdoors
- Police violently cracked down on thousands of folk protesting for their freedoms
- Trillions in global financial losses, destroying economies, & health services

- Loss of Millions of jobs world-wide with the destruction of small businesses
- Lies & fear mongering propaganda spread by government, mainstream media and the medical/scientific establishment, exaggerating the dangers of Covid

Whilst forcing us to comply with these measures, and 'follow the science', government officials enforcing these rules, were hypocritically mocking and breaking them, partying with each other in secret!

New Politics

In the last 3 years, all this has led to the rise of what's known as 'Woke' Culture. It's falsely styled as a new social justice movement to change the social fabric of global western society, dangerously re-programming our children's education to:

- Overturn the biological & time held understanding of sex & gender identity
- Remove people from all media platforms who disagree with its narrative, calling it 'hate speech' We have seen numerous prominent commentators just cancelled
- Revise history with an 'apology' and reparations culture, to racial groups that feel aggrieved at their historical treatment, encouraging false racial theories
- Enact new forms of political correctness and terms of human identity

Coupled with this, over the last three years, these three non-elected world bodies are dominating individual governments, by weakening national borders into a new form

of Feudal style 'Communism' to promote the concept of a one world government:

- World Health Organisation
- World Economic Forum
- United Nations

The United Nations promote what they call 'Agenda 2030'. One aim promotes '15 minute cities', which will restrict people's movements to within certain zones, (like Lockdowns) under the excuse of needing to reach unattainable Net Zero Carbon emissions. The impression given is that all climate change is purely man made.

Changing Technology & Science

We are now being told humans can now be literally HACKED like computers! This is also now expanding into the following areas, never spoken of, before Covid:

- Development of a new global digital health & identity pass
- Removal of cash into 'Central Bank Digital Currencies', to track & control buying & selling, with hand implants now being developed
- Artificial Intelligence, which will replace more than 300 million jobs worldwide
- Implantation of Brain chips to eventually MERGE people with this digital system
